

FABULOUS MARLBOROUGH

Fabulous Marlborough was created out of the need to provide an amazing experience to a diverse group of people in a short space of time, usually around 4 hours, an experience that would have something for everyone, our wonderful Cruise Ship visitors.

We hope we have succeeded and that you enjoy your tour.

The tour departs Picton for the 30 minute drive to Blenheim and first stop is Makana, Boutique Chocolate Factory. There are free samples of these delicious treats which are handmade in front of you, purchase if you wish.

Next stop is Omaka, Knights of the Sky Exhibition and here there is a choice. If you don't wish to visit the Exhibition your driver will take you on to a nearby Winery where you can relax and enjoy the view (and maybe a wine) and will collect you in one hour time.

Omaka is an Exhibition by Sir Peter Jackson (Lord of the Rings) and showcases his personal collection of WW1 Fighter planes in recreated battle scenes from WW1. This is a fabulous Exhibition and one that shouldn't be missed.

We then take you on to 1 or 2 wineries depending on time for tastings. Marlborough region is proud to boast that it produces the World's No1 Sauvignon Blanc and a multitude of other award winning varieties.

Then it is a beautiful drive through to Havelock, home of the Green Lipped Mussel where you can stop for a coffee or lunch. Take a little time to explore this pretty harbor town, check out the Art Gallery.

Return to Picton via Queen Charlotte Drive, stunning scenery with photo opportunities.
