

SHOWCASING MARLBOROUGH WINERIES

The whole world knows about Marlborough Wines so of course they are on nearly everyone's Bucket List when they come to Picton.

Visiting our wineries is a wonderful relaxing day out, stunning locations and amazing scenery along the way.

Your tour departs from Picton and begins at the Marlborough Wine Exhibition where there is much of interest to the general as well as specialist people. It is recognized as one of the best wine exhibitions in Australasia and will give you a good understanding of our wine heritage, how it began and developed right through to present time.

From there you will visit 4 – 6 Cellar doors for tastings (some have a small charge not included) or lunch in the vines if desired (lunch not included). Your guide will do their best to visit your favourites or take you to our favourites if you wish.

No visit to Marlborough is complete without dropping into Makana, Boutique Chocolate Factory to sample and purchase delicious handmade chocolates. Watch the team magically turn out these delicacies with so much skill – resist if you can.

If time permits there is the option of returning to Picton via the sensational Queen Charlotte Drive, photo opportunities along the way.
